

COLUMBIA VORTEX

Manufactured by **GALAXY**[®]
HARDWARE

5 STEPS TO A BETTER HAND DRYING EXPERIENCE

1 Remove your existing dryer, leaving the electrical box in place.

2 Insert COLUMBIA VORTEX electrical box with provided fasteners.

3 Mount dryer flange onto the electrical mounting box.

4 Install the new COLUMBIA VORTEX high speed hand dryer.

5 Place COLUMBIA VORTEX cover over flange for a beautiful finish.

*CSiSC recommends the use of a professional electrician during installation.

THE BENEFITS

15 Second dry time efficiency
Promotes hygiene - no touch dry
Cost effective replacement
Energy savings

Environmentally friendly
No paper waste
GreenSpec Certified
Contributes to LEED Certification

Made from 70% recyclable materials
No maintenance
No storage expense
Aesthetically pleasing design

COLUMBIA VORTEX

THE ORIGINAL "NO CLOTHES REQUIRED" HAND DRYERS

The COLUMBIA VORTEX hand dryer conversion kit makes it simple and easy to replace your existing semi-recessed dryer and add efficiency and beauty to your restrooms.

CK-100-001: STEEL; White Powder Coat Finish

CK-101-001: STAINLESS STEEL; Bright Finish

CK-108-001: STEEL; Ivory Powder Coat Finish

CK-109-001: STEEL; Black Powder Coat Finish

The benefits of removing your existing dryer from the wall and fitting the COLUMBIA VORTEX into the existing electrical box:

- Conceal the enlarged opening with the COLUMBIA VORTEX Conversion Kit.
- NO repairs to tile or wall after replacement and finish with the install within minutes.
- Saving on energy costs with a dryer that dries hands in less than 15 seconds.
- COLUMBIA VORTEX Conversion Kit matches the hand dryer: White Powder Coat Finish, Bright Finish, Ivory Powder Coat Finish, and Black Powder Coat Finish.

*COLUMBIA VORTEX DRYER IS SOLD SEPARATELY FROM THE CONVERSION KIT.
WE RECOMMEND THE USE OF A PROFESSIONAL ELECTRICIAN DURING INSTALLATION.
