COLUMBIA **VORTEX**[®] **Conversion Kit**

ADA Compliant

***The COLUMBIA VORTEX[®] Dryer Conversion Kit** makes it simple to replace your existing semi-recessed Dryer and add efficiency and beauty to your restrooms

*(Columbia Vortex[®] Dryer is sold separately) We recommend the use of a professional electrician during installation

CK-100-001: Steel; White Powder Coat Finish

CK-101-001: Stainless Steel; Bright Finish

CK-108-001: Steel; Ivory Powder Coat Finish

CK-109-001: Steel; Black Powder Coat Finish

By simply removing your existing dryer from the wall and fitting the COLUMBIA VORTEX[®] into the existing electrical box...

1. The enlarged opening is concealed perfectly with the COLUMBIA VORTEX[®] Conversion Kit
2. The installer has NO tiles or walls to repair and is finished with the install within minutes
3. The owner is saving energy and money with a dryer that dries the hands in less than 15 seconds
4. The COLUMBIA VORTEX[®] Conversion Kit matches the hand dryer: White Powder Coat Finish, Bright Finish, Ivory Powder Coat Finish and Black Powder Coat Finish
